

From A14 Milton. Off at the Histon turn and follow the blue route to the Oakington crossroads
From Dry Drayton. Over the flyover and follow the red route to the Oakington crossroads.
From Cambridge. Off at Girton and follow the Yellow route to the Oakington crossroads
From the Oakington crossroads you have the choice of the green route through Willingham, Rampton and Longstanton
Or the red route across the airfield road. Note that this road is really restricted to buses, horses, bicycles and the disabled so there is a (small) risk that the police will be having a slow night and decide to police it.
If you are on the A14 from the Milton end and you miss the Histon turn off or just find the Girton slip unexpectedly closed Follow the purple route or a mix of the red and purple routes.
